WALK2SCHOOL WEEK – MONDAY 21ST – FRIDAY 25TH MAY

Walk2School week is taking place from Monday 21st May to Friday 25th May and so we are urging all pupils to walk to school every day during the week to receive a Walk2School sticker.

As part of the fun, we will be engaging in 'Happy Shoesday' on Tuesday 22nd May. On this day, any pupil who walks the entire journey from home to school can wear their own comfy shoes for the day – these can even include slippers! Please note that if your child does choose to wear slippers then they will need to bring sensible shoes to wear at playtimes. It would be great to see all pupils in school in their own shoes on the day having walked to school.

On Friday we will be engaging in 'More Heels, Less Wheels'. On this day the school council ask that you do not park on Primrose Hill Road to drop off or pick up your child **at any time**. Our school council representatives will be out and about to remind you! Your support is appreciated.

BRITISH VALUES WEEK – MONDAY 21ST – FRIDAY 25TH MAY

We have organised a British Values Week next week where pupils will be engaging in a number of stimulating activities including creative writing opportunities relating to The Royal Wedding on Saturday 19th May and researching an aspect of British history. Additionally, we have organised two fabulous musical treats.

Monday 21st May - A Songs of Identity Workshop led by The Young Uns (BBC2 Radio 2 Folk Award Winners 2015 and 2016) and

Thursday 24th May - A Drumming Masterclass Workshop by Jeff Rich (Drummer from Legendary British Rock Band 'Status Quo')

To enable us to offer these curriculum enrichment opportunities, we are asking for a contribution from pupils and have calculated these on the amount of time pupils will spend with the musicians. We are asking for a £1 donation from EYFS/KS1 pupils and a £2 donation from KS2 pupils which should be given to teachers on **Monday 21st May**. Should every pupil contribute as suggested above, this would meet half of the cost of these enrichment opportunities with the remaining half being met through the school budget. **By way of thanks for the contribution towards these workshops, pupils may wear their own clothes on Friday 25th May – the theme being red, white and blue.**

On the 25th May 2018 the Data Protection Act 1998 was replaced by the General Data Protection Regulation (GDPR). The condition for processing under the GDPR is:

Article 6

1. Processing shall be lawful only if and to the extent that at least one of the following applies:

(c) Processing is necessary for compliance with a legal obligation to which the controller is subject;

Collecting pupil information

Whilst the majority of pupil information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the GDPR, we will inform you whether you are required to provide certain pupil information to us or if you have a choice in this.

Storing pupil data

We hold pupil data whilst the child remains at the primary school. The file, both paper and electronic, follows the pupil when he/she leaves the school.

Who we share pupil information with

We routinely share pupil information with:

- schools that the pupils attend after leaving us
- our local authority
- the Department for Education (DfE)
- NHS/school nurse/family support worker
- online providers of ICT packages to support pupil learning, behaviour and safeguarding

Why we share pupil information

We do not share information about our pupils with anyone without consent unless the law and our policies allow us to do so.

We share pupils' data with the Department for Education (DfE) on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring.

We are required to share information about our pupils with our local authority (LA) and the Department for Education (DfE) under section 3 of The Education (Information About Individual Pupils) (England) Regulations 2013.

Data collection requirements

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

The National Pupil Database

The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

The department may share information about our pupils from the NPD with third parties who promote the education or well-being of children in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.

For more information about the department's data sharing process, please visit: <https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>
